\$1.50 Gloves.

\$1.33 \$2.00 Gloves.

The psychological moment for the store with a cash business-during the reaction after Christmas. This year more gloves than ever were given as presents-and every one seems to be supplied. The time was opportune to visit New York and stir up the wholesale markets.

#### 24,000 Pairs Gloves from the World's Most Famous Makers Who Must

The glove chief was in the writer's den this morning-and her words are taken down verbatim: "They let me have these gloves only on condition that we did not use their name in an advertisement"...."I promised-because they promised not to change the buttons on their gloves."... "It's only necessary to advertise 'the world's most famous gloves.' Every visitor will know by the buttons."
